Each student should be in class 5 minutes before class starts, asking questions, putting on shoes or warming up. Each student should be in place and ready to begin at class time.

Our school year runs from August 15th to June 2nd which is 42 weeks. Of this 42 weeks, we conduct 37 weeks of instruction. September to May tuition includes 36 full weeks, therefore we bill 4 weeks per month.

One week in August accounts for the 37th week of instruction. To calculate August tuition, divide monthly payment by 4.

August tuition and Registration fees are due at registration.

Additional children - same rate as 3rd child. (To figure more than one student - student with the most hours is 1st child, student with the next amount of hours is the 2nd child).

Registration fee - \$35.00 per student per year. \$20.00 each additional student in family.

Recital fee - \$50.00 per student. \$35.00 each additional student in family.

Tuition is due the 1st class of each month. Tuition is considered late by the second class of each month.

If your student can not attend the first class of the month, please mail the check in the provided envelopes so that it arrives timely.

Payments can be made by cash or check.

Late fee is \$10.00. Insufficient check fee is \$25.00.

Please note that if tuition is late by 1 month, the student will be dropped from the class. An additional registration fee will be charged to re-enroll.
