

Center Stage Young Professionals Presents

## **Olympus Unfolding**

About the Show:

Olympus Unfolding is an original, full-length dance production based on the rich stories of Greek mythology. Set inside a museum, a single character becomes mesmerized by the legends on display. As they read each plaque, the statues of gods, goddesses, and mythical creatures awaken to bring their stories to life through powerful movement and performance.

This immersive production will feature multiple dance styles, including:

Contemporary  
Hip-Hop  
Lyrical  
Jazz  
Heels  
Jazz/Funk

Featured Roles:
